

RIIRIS201E

CONDUCT LOCAL RISK CONTROL

Course Overview

This unit describes a participant's skills and knowledge required to conduct local risk control in the Resources and Infrastructure Industries. They generally work under supervision to undertake a prescribed range of functions involving known routines and procedures and take some responsibility for the quality of own work outcomes. Licensing, legislative and certification requirements may apply to this unit and can vary between states, territories and industry sectors.

Users must check requirements with relevant body before applying the unit.

Refer to: <https://training.gov.au/Training/Details/RIIRIS201E>
